PRICED RRP V3

# Welcome

The importance of a good nights sleep is in our best interest!

Crafted with meticulous attention to detail in Britain, our electrically adjustable beds epitomize unparalleled craftsmanship, seamlessly merging comfort and elegance.

Expanding on our vast fabric selection, our bed collection provides a myriad of options to personalize each bed to your distinct style preferences. Our modern designs effortlessly blend the functionality of medical-grade beds with the aesthetic appeal of home furnishings, harmonizing with any bedroom decor.

Included as a standard feature in all our custom designs is a five-way profiling action, offering versatile positioning for supreme comfort, catering to diverse needs.

In need of a bed urgently? Fear not! We offer an extensive range of beds ready for express delivery. Simply watch for the  icon denoting which ranges offer this convenient option.

Our entire Komfi Rider range is exclusively available through dedicated local mobility retailers, renowned for their professionalism and unwavering commitment to customer satisfaction. Their support ensures peace of mind with comprehensive customer care and backup services.
